

# MY LITTLE GIRL

Here is my little girl,  
She is running, running around.  
On her face she wears a beautiful smile  
That can make me shake off  
All the hardships of my life.

Here is my little girl,  
She is growing, growing up  
Into a beautiful young lady,  
That will charm the hearts of all  
who'd be so lucky as to cross her way!

Here is my little girl,  
She is growing, growing up  
Into a beautiful young mother  
With a very kind heart.  
As I am today.

She is "My Little Girl", she was,  
But now she is a Grandmother.  
That is why I became a Great  
Grandmother, and I love it!
